## BANGLADESH AUCTION OF 11TH DECEMBER 2023

**CTC LEAF:** 78,945 packages of tea on offer commenced with a good demand which slackened as the sale progressed with a decline in price.

**BROKENS:** Larger Brokens met with a fair demand but were easier with quality whilst bright liquoring smaller types met with a fairly strong interest and were sometimes dearer. Plain teas were discounted further and there was hardly any interest for these types. As a consequence, there were very heavy withdrawals. BLF teas met with a little demand and declined further in price with heavy withdrawals.

**FANNINGS:** Good liquoring Fannings met with quite a strong demand and were dearer with quality but as the sale progressed, these eased somewhat. Medium and lower Medium Fannings met with fair interest and mostly were easier in line with quality. However, there were quite heavy withdrawals. Plain types saw only little interest with a sharp fall in price. There were heavy withdrawals in this category. BLF teas met with a little demand and declined further in price with heavy withdrawals.

**DUST:** 17,997 packages of tea on offer met with fair demand. Good liquoring Dusts met with a fair demand and sold Tk.3/- to Tk.5/- less than last levels. Mediums were an easier market and sold around Tk.5/- to Tk.10/- less than last closely following quality. Plain and BLF Dusts again continued to be difficult of sale and again had heavy withdrawals. Blenders lent good support whilst Loose tea buyers were very selective.

**COMMENTS:** Offerings were very large (96,942 packages) which comprised of reprinted teas from previous sales. A handful of clean teas were well sought after whilst all the others dropped in value. Blenders were quite active with fair interest from the Loose tea buyers. Withdrawal percentage is heavy in this sale which is mostly owing to lack of interest for reprinted teas where only a few lots were sold.
