Tea Tech Tips

Density of Sorted tea grades is important. Packed bags of tea need to retain their shape with the correct weight as per grade. Bulging bags will be discounted.

Crop & Weather (For the period 02nd - 08th July 2024)

The Western planting districts reported dull conditions with scattered showers whilst the Nuwara Eliya's experienced sunny conditions with occasional showers. The department of meteorology forecasts heavy showers and winds in both regions.

The Uva/Udapussellawa's reported scattered showers throughout the week.

The Low grown's experienced dull conditions throughout the week. Rains are to be expected in the Low grown districts.

All regions recorded an increase in their crop intakes except for the Low growns which reported a decline.
