Notes to the Financial Statements:

1. Figures for the period ended as at 30th September 2024 are unaudited.
2. The Company is required to prepare Interim Financial Statements in accordance with LKAS 34 – Interim Financial Reporting issued by the Institute of Chartered Accountants of Sri Lanka.

3. **Significant Accounting Policies**

-The same accounting policies and methods of computation are followed in the interim financial statements as compared with audited annual financial statements as at 31st March 2024.

-Staff loans granted have been recognised at fair value at the time of granting and resultant adjustments were accounted as prepaid staff cost and amortised over the tenure of the loan on a straight line basis. Interest income was recognised using effective interest rate method.

-Loans granted to customers were recognised at fair value plus directly attributable transaction costs and fee income, initially. Subsequent measurement of loans were recognised at amortised cost using effective interest rate.

-Storage & Storage Related Income were recognised on accrual basis for the period of service provided by the group instead of the date of auction.

4. The nature of related party transactions in the current period is similar to those reported in the Audited Financial Statements – 2023/2024.
5. There were no significant events that occurred subsequent to the end of the interim period which require disclosure or adjustments in the interim financial statements.
6. There were no contingent liabilities identified in the foreseeable future which require disclosure in the financial statements.
7. To facilitate comparison and where relevant, balances pertaining to the previous period have been reclassified.

**9. SEGMENTAL INFORMATION**

As at 30th September 2024

The group has the following two strategic business segments, which are its reportable segments. These two segments offer different services to the customers and separate financial information is available. These two segments are managed separately because they require different technology and marketing strategy.

Information related to each reportable segment is set out below. Segment profit (loss) before tax is used to measure performance. The management believes that this information is the most relevant in evaluating the results of the respective segments relative to other entities that operate in the same industries.
